

Web Project Criteria (worth 5 points)

URL Address: <https://www.oakton.edu/students/6/jalbrigh7836/Final/>

Name: John Albright **Website Title:** Linguaphilia

The following items must be included in your Web Site project for full credit. Any missing components and full credit cannot be given. Remember Notepad++ for the PC and your choice of a text editor for the Mac is to be used for writing all code. This must be handed in with your project.

This form will be completed by students and put into the dropbox. Instructor will view your project on the P drive. (Tutorial is another word for Chapter.)

Item No	Point Value	Description of Item	Text location i.e. where in the text info can be found	Please provide the page where item can be found on your site.
1	4	Must have 6 html pages	Instructor requirement	N/A
